

[Clique aqui para português](#)

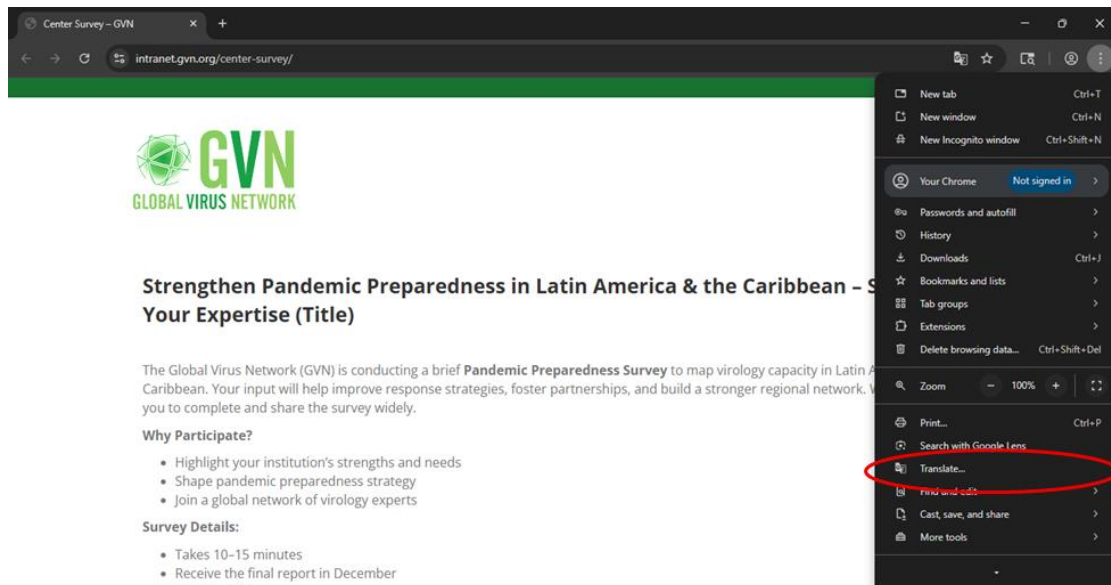

[Cliquez ici pour le français](#)

Para español:

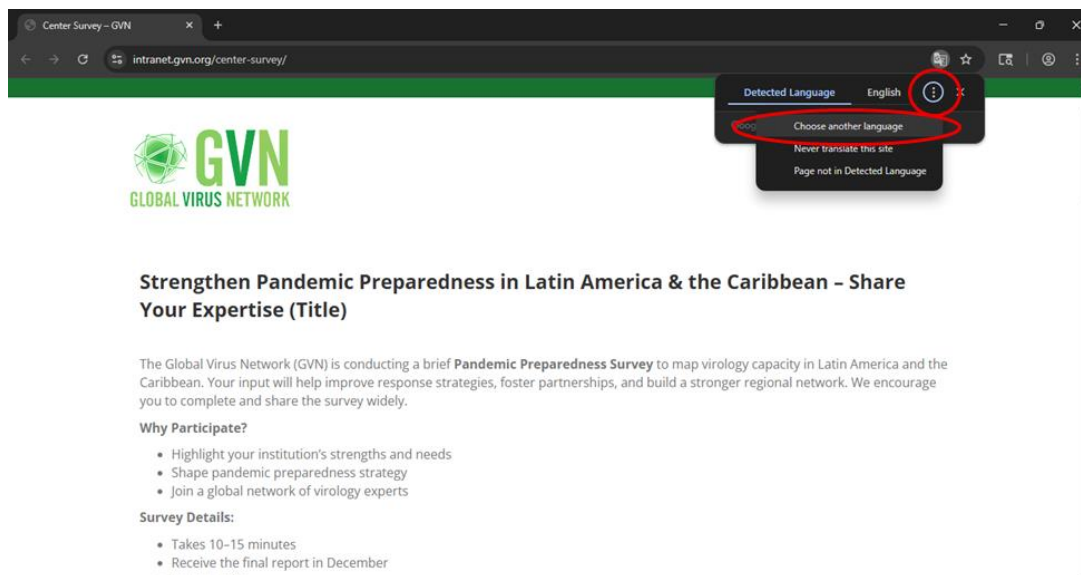

1. En Google Chrome, haz clic en los tres puntos de la esquina superior derecha. Un menú desplegable te mostrará varias opciones.

2. En el menú desplegable, seleccione la opción “Traducir...”.

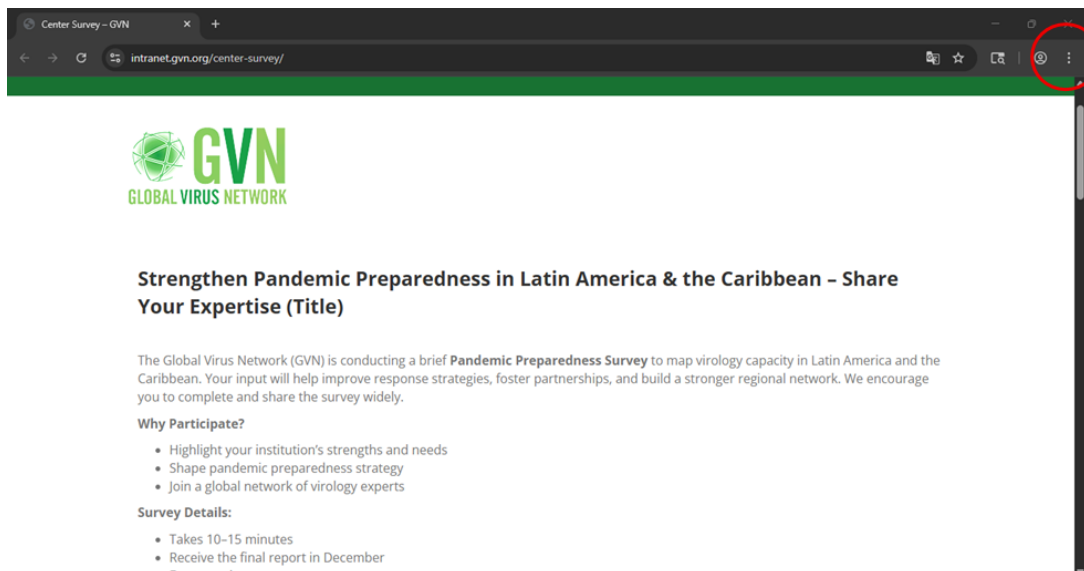

3. Selecciona los tres puntos y la opción "Seleccionar otro idioma". Desde ahí, puedes seleccionar el idioma que prefieras.

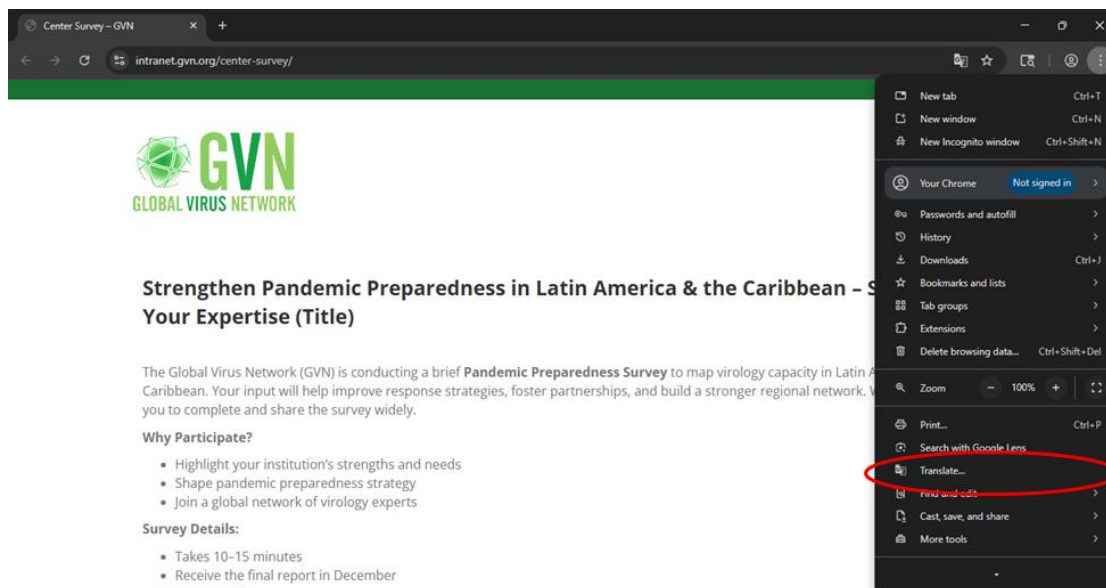

Para português:

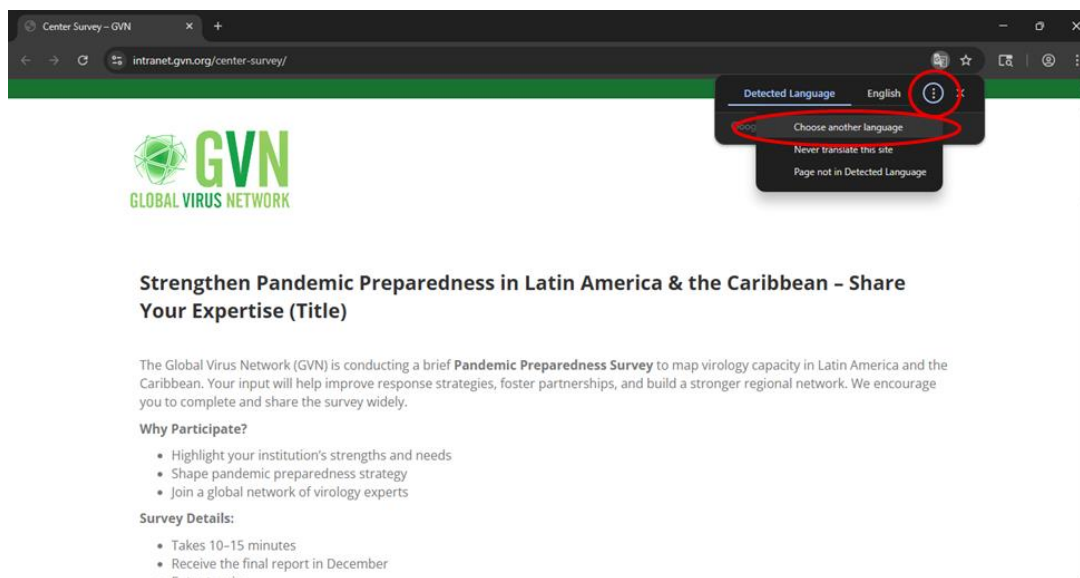

1. No Google Chrome, clique nos três pontos no canto superior direito. Um menu suspenso mostrará diversas opções.

2. No menu suspenso, selecione a opção “Traduzir...”.

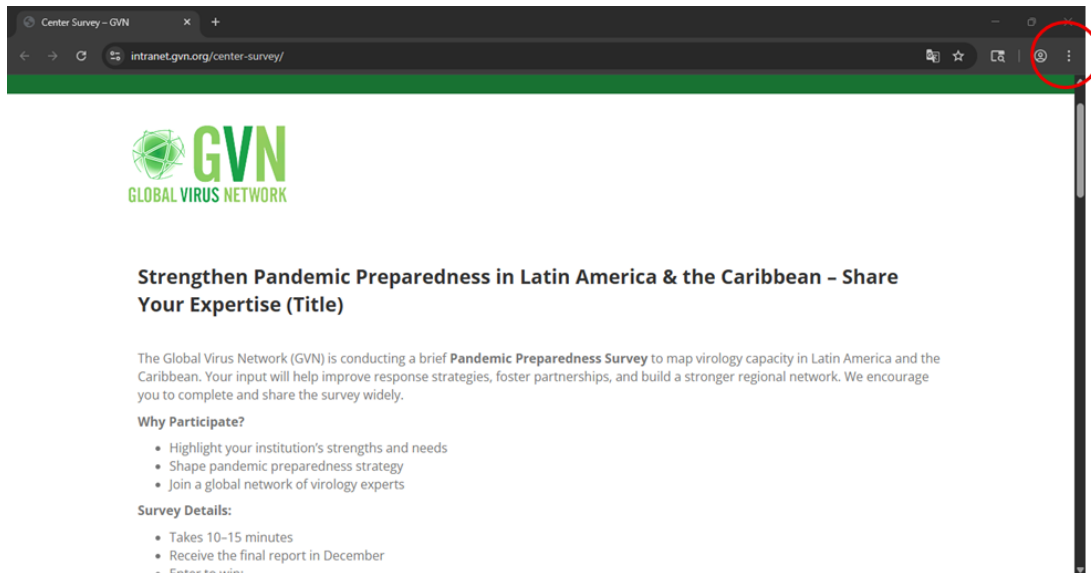

3. Selecione os três pontos e a opção "Selecionar outro idioma". A partir daí, você pode selecionar o seu idioma preferido.

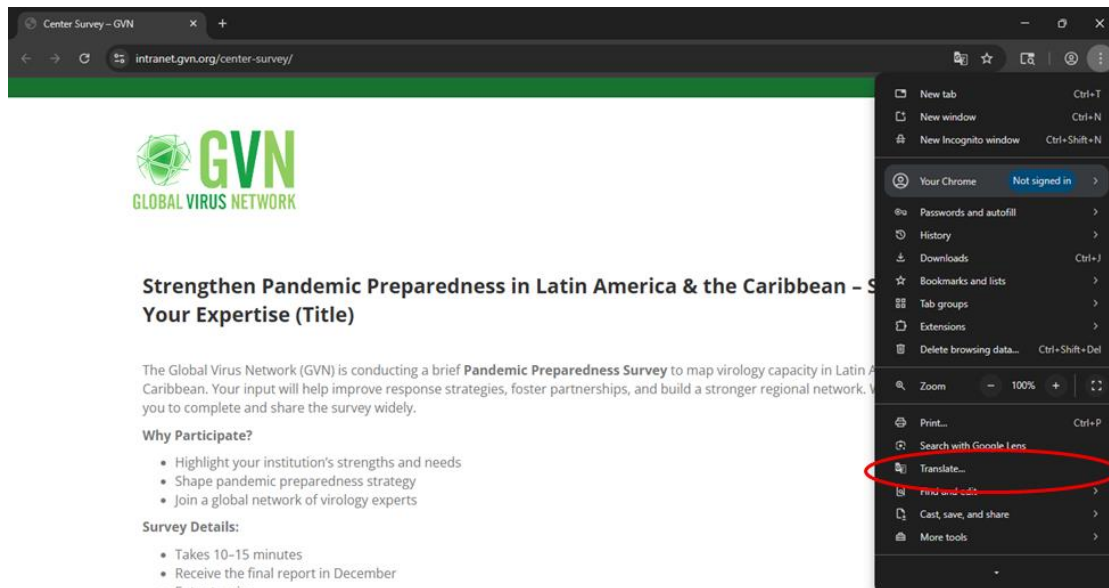

Pour le français:

1. Dans Google Chrome, cliquez sur les trois points en haut à droite. Un menu déroulant vous proposera plusieurs options.

2. Dans le menu déroulant, sélectionnez l'option « Traduire... ».

3. Sélectionnez les trois points et l'option « Sélectionner une autre langue ». Vous pourrez ensuite sélectionner votre langue préférée.

Strengthen Pandemic Preparedness in Latin America & the Caribbean – Share Your Expertise (Title)

The Global Virus Network (GVN) is conducting a brief **Pandemic Preparedness Survey** to map virology capacity in Latin America and the Caribbean. Your input will help improve response strategies, foster partnerships, and build a stronger regional network. We encourage you to complete and share the survey widely.

Why Participate?

- Highlight your institution's strengths and needs
- Shape pandemic preparedness strategy
- Join a global network of virology experts

Survey Details:

- Takes 10-15 minutes
- Receive the final report in December
- Enter to win
